QUESTIONS TO ANSWER PRIOR TO SUBMITTING APPLICATION:

1. Has everyone on your HOA board reviewed and approved the paint colors being submitted?

2. Do you need ACC assistance in choosing paint colors?

3. What month and year do you expect the paint project to begin?

4. Where have the 3' x 3' body color samples and 1' x 3' trim samples been painted? If not done, what date will that be done?

5. How many units/buildings are there in the complex, and how many combinations? (example: 3 paint colors, 30 buildings)

Application may be mailed, emailed (info@mcca.info), or dropped off at the MCCA Office (15524 Country Club Dr, Mill Creek, WA 98012)

Please provide the details of your color scheme below. To avoid having an overly busy looking division, we recommend you limit your color scheme to one. If you do have multiple color schemes proposed, please list each color scheme along with associated building numbers.

NOTE: We require that 3’ x 3’ swatches of all body colors to be painted on the building intended to be painted. Trim color samples to accompany each body color, should also be painted next to the applicable body color in a 1’ x 3’ sample swatch.

Additional Comments:

Please Attach Paint Samples Here

Body samples should be attached adjacent to applicable trim samples.

Applications without samples will not be accepted.
