MESSAGE FROM SOUTH COUNTY FIRE

FIREWORK USE IS ILLEGAL in Southwest Snohomish County

It is illegal to discharge fireworks in all areas shown in red on this map

MESSAGE FROM SOUTH COUNTY FIRE

FIREWORKS FAQs

Are fireworks legal to discharge at my address?

All fireworks discharge is illegal in South County Fire's service area ([map](#)) including the cities of Brier, Edmonds, Lynnwood, Mill Creek, Mountlake Terrace, and unincorporated communities in southwest Snohomish County. Go to [Snohomish Regional Fire & Rescue's](#) interactive map and enter your address to see if your home is in a banned area.

Why are fireworks sold in a banned area?

This year, fireworks sales are still allowed in unincorporated Snohomish County. On May 16, 2024, the Snohomish County Council voted to ban sales and use however the ban on sales won't start until next year per state law.

Who do I call if I have a complaint about fireworks?

- If there is an immediate threat to life or property (someone is injured or to report a fire) call 911.
- If there are no immediate threats, leave phone lines open for emergencies and use the non-emergency number 425-407-3999. If you get a busy signal that indicates that call volumes are taxing the 911 system.

Who enforces the ban?

Law enforcement enforces the ban. Higher than normal call volumes may also limit law enforcement's availability to answer every call. For complaints related to noise or illegal fireworks use, with no threat to life or property, call the non-emergency number. Please have the exact address of your complaint.

What can I do this year to educate my neighbors?

Free Fireworks Banned yard signs will be available for pick up at select stations between June 24-28, *while supplies last*. To find a station near you visit www.southsnofire.org/fireworks.

LEARN BEFORE YOU BURN

What is allowed and not allowed?

ALLOWED:

- BARBEQUES, CHARCOAL, & GRILLS
- SEASONED, CLEAN AND DRY FIREWOOD

NOT ALLOWED:

- BURNING GARBAGE OR YARD DEBRIS
- FIREWORKS DISCHARGE

Small Recreational Fires

Recreational fires are allowed for cooking, ceremony or pleasure purposes.

- Fire should be small. Limit to 3 feet wide by 2 feet high and must be contained (example: fire pit).
- Fires and discarded fire materials must be at least 25 feet away from any structure or combustible material.
- A water source must be readily available (example: charged water hose or a 5-gallon bucket).
- Never leave a fire unattended. Fully extinguish the fire with water to drown all the embers then stir with a shovel.
- Recreational fires may also be banned during countywide burn bans issued by the county fire marshal.

Be a Good Neighbor

If smoke from your fire bothers your neighbors, you must extinguish the fire immediately.

Irritants in the smoke can be especially dangerous for kids, older adults and those suffering from respiratory issues.

- Call 911 for immediate threat to life or property.
- Call the non-emergency number for issues that are not an immediate threat to life or property 425-407-3999.
- File a complaint with Puget Sound Clean Air Agency at 800-552-3565.

Dangerous Outdoor Burning

LARGE OUTDOOR FIRES ARE PROHIBITED YEAR-ROUND

Outdoor burning is prohibited at all times in the South County Fire service area including unincorporated communities in Snohomish County starting in south Everett and extending to the urban growth areas through to the county line. South County Fire also serves the cities of Mill Creek, Brier, Edmonds, Lynnwood, and Mountlake Terrace.

Burn bans and regulations include:

- Burning debris, such as yard waste and scrap wood, is not allowed.
- Burning garbage is not allowed.
- Fireworks discharge is not allowed and is banned year-round.
