

Help Shape the Future of MCCA Playgrounds!

"There is no power for change greater than a community discovering what it cares about."

— Margaret Wheatley

We're excited to announce the formation of the MCCA Playground Committee, a short-term group dedicated to evaluating and improving our community's playgrounds and park equipment.

Our twelve playgrounds are treasured spaces—where children play, parents connect, and neighbors gather. While our maintenance team ensures everything is safe and functional, this committee will take a broader view:

- What's currently in place?
- What's being used—or underused?
- What should be improved or replaced?

Committee Goals

- Evaluate MCCA's existing playground structures and amenities
- Collaborate with the Board and staff to pinpoint upgrade opportunities
- Envision new features and visual improvements
- Engage the community for input and share updates transparently
- Draft a plan for MCCA playground upgrades

Whether you're a parent, grandparent, or someone who simply loves seeing vibrant parks in our neighborhood, your perspective matters. Your involvement will shape meaningful improvements for years to come.

How to Get Involved

If you're an MCCA resident and want to join or learn more, please email us at: info@mcca.info. No experience needed. Just bring your ideas, your voice, and your care for our community.

We will reach out to everyone who expresses interest to schedule a kick-off meeting in July or August, where we will develop the meeting schedule for this committee.
